The diagram consists of two parallel vertical flowcharts. Each flowchart starts with the text 'Datos necesarios' at the top, followed by a downward arrow pointing to a circle. The left circle contains '2.5.1 Realizar copia de seguridad', and the right circle contains '2.5.2 Restaurar copia de seguridad'. From the bottom of each circle, another downward arrow points to the text 'Resultados'. Finally, a third downward arrow points from each 'Resultados' text to the bottom of the page.
